

Salon Cosmetique at Vatterott College Offers Salon Services to the Public

FAIRVIEW HEIGHTS - Salon Cosmetique, part of the cosmetology program at Vatterott College, opens its doors on Monday, January 28. The new salon is located at 110 Commerce Lane in Fairview Heights and is the final step in achieving a certificate in cosmetology.

Salon Cosmetique offers salon services to the public which are performed by students completing their cosmetology education and supervised by licensed instructors. The salon is open from 9 a.m.-2 p.m. Monday

through Friday

Salon services available to the public include: haircuts, perms, relaxers, color treatments, highlights, manicures, pedicures, beard trims, facials, eyebrow waxing and make-up application.

Students enrolled the Cosmetology diploma program earn 1,500 clock hours over a 50 or 60 week program. The program teaches a variety of different techniques for haircutting, hair shaping, and color processes

and the art of facials, manicures, pedicures and massages. Students are instructed in the areas of communication, professional image, clinical procedures, and sanitation laws, in addition to salon business and management. Graduates who successfully pass the exams will be certified to perform standard cosmetology services in beauty salons.

Salon Cosmetique is expecting to offer evening hours through the evening course program in spring 2013.
