TGI *Fridays* *reopening* *next week*

TGI Fridays will open its newly rebuilt restaurant in Fairview Heights on March 2.

Construction of new restaurant at 6900 N. Illinois St. is nearly complete. The chain closed its initial restaurant and adjoining Ramada Inn at that spot late last summer. The original building was demolished, and a new 6,600-square-foot restaurant and 157-space parking lot has been built on that site.
